Tournament Golf is a great way to play golf!

The IGTA is the Major Tour nationwide for all avid golfers to experience True Competition!
 A fair opportunity for golfers to compete in 'Big Tour' type Tournaments!

The IGTA Tour is a mix of golfers of all ages who are tired of playing for Gift Certificates and want to take their game to the Next Level. Many are aspiring Professionals who also play with the Hooters, Gateway, Tarheel and other Tours. Some have reached Nationwide, Champions Tour and the PGA Tour. Handicaps are maintained 100% under the USGA Handicap System. Built-in scoring parameters protect the field when Exceptional Tournament Scores happen and Equitable Stroke control is calculated by the computerized handicap system.

IGTA Protects the Field w/Research, & System

Players with Handicaps - Must submit current info, ghin indexes, scorecards, etc. Most important they must provide references prior to playing.

Handicaps are maintained, 100%, under the USGA Handicap System. Equitable Stroke Control and Exceptional Tournament Scores are applied. The IGTA System protects the field by monitoring scores and using probability tables to adjust as appropriate.

Dishonest Players are DQ'ed and suspended

Players have been DQ'd for various Rule violations, even worse, for submitting wrong handicaps, using erasers to lower score, dropping a bogus ball, and submitting false identification. **Players have been suspended and/or banned from the Tour for these infractions.** **Players are subject to prosecution for submitting false information.**

And, **Todd Childers** played two fine rounds at **Kinderlou Forest** to win by 1 stroke over **Dennis Rasku**, **George Perry** and **Dave Matthews**.

Plus Handicaps Provide Some Highlights!

The Plus Handicaps won only three of the ten events, however they provided some great features for the Tour. At **Stoneybrook West**, **George Bradford**, with a +3 handicap, came from over 4 shots back with a 68, and a net 148 to win by one stroke over **Mike Goltz** and **Dustin Cone**.

Then, at **Legacy** in Bradenton we had what turned into a match-play shootout between **Don Wright** and **Nathan Bertsch**. Don led after day one with a 67 to a 70 for Nathan and had a handicap increase of +.5. On day two Don opens with 33, however Nathan takes a 1/2 stroke lead with a 30. Then, on the back 9 Nathan shoots 34 with 7 straight birdies in the process of his gross 64. Don answered with another 33 for 66 and a victory margin of 136.5 to 137. Third place on this 138 slope course was Net over par 144.5 by **Phil Eich**.

At **Celebration G.C.** there was another battle. After struggling at Orange Lake, **David Moreland IV** opened with a 64 and battled **Rocky Justice** who had a Net 66 first round. Rocky, a 12 handicap, took the lead on the final 9 only to have David toughen up and finish with a 68, Net 71 to win by two. **Dennis Rasku**, with 13 strokes from the back tees, came on with a Net 67 to finish third.
